CareFlex

Standard Features At A Glance

The new MultiAdjust is a **cost effective, tool-free**, highly adjustable seating system that provides **postural support** and **pressure care** without compromising the users **comfort**. The chair benefits from **Tilt-in-Space, Back Angle Recline** and lower limb support, offered with adjustment control options (manual or motorised). The MultiAdjust is an ideal choice for **multiple user** environments, and for those who are semi-ambulant and non-ambulant. Its modular design, with interchangeable accessories, makes it a perfect fit for Community Loan Stores. It is suitable for a wide range of seating needs in most Care Environments. It provides high levels of comfort and the robust construction quality that you would associate with CareFlex. For peace of mind the MultiAdjust comes with a **Lifetime Frame Warranty**.

Upgrade to the MultiAdjustPlus

The new standard features of the MultiAdjust can also be upgraded, just as Roger did for his choice of chair at home. Roger lives with the challenges of an old spinal injury; the MultiAdjustPlus was the perfect solution for his postural and pressure care needs. "I can sit and watch TV in complete comfort, and having the option to choose a chair colour to match my surroundings was perfect".

The MultiAdjustPlus comes with the addition of these following features:

- Choice of a Contoured or Waterfall Back
- Upgrade to Watercell Technology
- Choice of Colour from our Simply Colours Range
